Arbor Springs Elementary was established in 1999 during Richard C. Brooks term as Superintendent of the Coweta County School System. We are accredited by the Southern Association of Colleges and Schools and we earned the 2007 Georgia School of Excellence in Student Achievement. We believe that....

- ✚ As a learning community, we must continually improve.

- ✚ The Coweta County School System, in partnership with the family and the community, must focus on providing challenging, interesting, and satisfying work for students.
