

# Madras Middle School 2009-2010 Sign-Up Sheet **STRINGS**

Dear Rising 6th Grade Students & Parent/Guardian:

Madras Middle School offers a year-long Strings class. Instruments included are the guitar, violin, viola, and cello. Space is very limited for each of the two class periods offered for each grade level. Enrollment shall be granted on a first come, first serve basis. **There are 30 slots available for each class. After 60 students have been successfully enrolled per grade level, additional students wishing to take this course will be placed on a waiting list. Please complete, sign and return this form to your student's music teacher no later than May 15th.** Also, please review the expectations below, as they apply and are enforced, through our organization. This program is a unique opportunity for learning a stringed instrument while enjoying playing in a large group setting.

### Coweta County Middle School Strings Expectations:

- All members must provide their own instrument, through rental or purchase.
- Members are expected to attend all after school rehearsals and concerts. Dates for these events will be given well in advance to avoid conflicts. For assessment purposes, if a member cannot attend the concert, a video/audio recording must be presented in lieu of the concert for a grade.
- All members are encouraged to purchase a Madras Strings polo shirt to wear at all performances and fine arts functions.
- Madras Strings is a year-long course; course changes must be approved by the director.
- Strings students are expected to show mature and appropriate behavior.
- Members are encouraged to participate in all fundraising endeavors.
