

Coweta County School System Complaint Procedures

Coweta County Board Policy JCE explains the complaint process for students. The Coweta County School System realizes that there may be conditions in the school system that need improvement and that a student should have some means to effectively express their concerns which will be considered and handled with fairness. Students' complaints and grievances shall be resolved through orderly processes and at the lowest possible level. For more information about these procedures, please visit the CCSS's website at <http://www.cowetaschools.org/>. You will find these procedures under the "ADDITIONAL PARENT INFO" section located at the bottom of the website.
