

Canongate Students Perform Above State Average on the GMAS!

Canongate's scores once again showed that our students outperformed their counterparts throughout the state on the Georgia Milestone Assessment (EOG). Canongate's average performance on the 2015-16 Georgia Milestone Assessment can be seen in the graph below:

Canongate's 2016 GMAS Scores

***Canongate's Overall CCRPI Score = 91.8**

*These scores along with several other criteria were used to calculate Canongate's Georgia College and Career Ready Performance Index (CCRPI) score which is an accountability system used to measure Georgia public schools.
