**Re:** Senior Picture Policy

---

Congratulations on becoming a member of the 2010 graduating class! In addition to enjoying your summer vacation, there are a few things that need to be accomplished this summer.

This year, all seniors will have the option of having their formal pictures made at school during the week of August 3-6. There will be NO sitting fee and all seniors taking a picture will be placed in the yearbook. Seniors can also have casual pictures taken with no sitting fee with Owens Studio during the week of August 3-6. I have also included a list of photographers in the area for students wanting to have senior pictures made locally. As in the past, seniors may bring in senior and casual pictures to be placed in the yearbook. If you have any questions regarding senior pictures, please contact Ms. Hart-Garcia at [pamela.hart-garcia@cowetaschools.org](mailto:pamela.hart-garcia@cowetaschools.org).
