**The Eastside Elementary School Parent Resource Room offers services for our parents and community.**

- BackPack Buddies:** a program that provides snacks and food items to families for the weekend and upcoming breaks from school.
- Book/Resource Center:** an area with pamphlets, books and other resources to help parents be informed about how to help their children in school. Most resources are available for check-out.
- Computer/Internet Usage:** available for parents to access Parent Portal for updates on student grades, lunch charges, and attendance review.
- Counseling:** Mrs. Pelletier is our staff Counselor. She can help children understand how to process life-events, such as: anxiety, death, divorce, family moves, separation, and many others.
- Free/Reduced Meals:** a program that provides free breakfast and lunch, or at a reduced charge, for qualifying families, once an application has been completed.
- Help A Child Smile:** a dental program that provides basic dental care for families qualifying with an application.
- Mentors:** for parents and students who wish for a student mentor, Eastside will work to pair a trained mentor with a student.
- School-wide Parent Trainings:** training sessions held during the year to help parents understand grade level content and the importance of helping our students to read.
