Yearbook Dedication Pages

Parents of 5th Grade Students,

Yearbook Dedications are on sale now through **February 3, 2017**. This is your chance to include a personalized message to your graduate in the yearbook!

Dedication Size	Cost
1/8 of a page	$20
¼ of a page	$40
½ of a page	$60
1 full page	$100

The yearbook company, Pictavo, has templates that are used for the dedication pages. The copy attached shows what the templates look like. The templates also show how many pictures can be included. If you'd like to see color images of the templates, please visit the school's website at www.cowetaschools.org/ees.

If you would like to order a dedication for your graduate, please fill out the bottom of this form and return it to Mrs. Markland. You will need to also turn in the dedication and the pictures you want included in an envelope labeled, "Yearbook Dedication." The pictures you send in **will** be returned to you.

Checks should be made payable to Eastside PTO.

If you have digital pictures that you want to use, they have to be high quality images. Typically photos taken on a cell phone will not work. In the picture description, you should see "picture dimensions." Dimensions higher than 1000 x 1000 usually work well. Digital pictures can be saved to a flash drive and sent in with your child. You can also email dedications and pictures directly to misty.markland@cowetaschools.net.

Yearbook Dedications: Please fill out all the required information and send in with your child along with the dedication, pictures and money.
