ABOUT THE YOUNG GEORGIA AUTHORS WRITING COMPETITION

The purpose of the Young Georgia Authors (YGA) writing competition is to encourage students to develop enthusiasm for and expertise in their writing, to provide a context to celebrate their writing successes, and to recognize student achievement in arts and academics.

This prestigious competition has been engaging Georgia students for more than two decades and is open to any student currently enrolled in Georgia **public** schools, grades K -12. The competition is sponsored by the Georgia Language Arts Supervisors (GLAS) and the Georgia RESA Network with support from the Georgia Department of Education.

ENTRY OVERVIEW

Writings shall be entered into the state-level competition by winning the tiered levels: (a) local school, (b) district, (c) RESA, and then (d) state. School systems may submit ONE winning entry per grade level (K-12) to the RESA-level competition. RESA-level winners will advance to the state-level competition.

WRITING TYPES

Unlike many writing competitions, YGA does not provide a prompt to which students must respond or provide any other boundaries to their genre choice or creativity beyond a 1900-word maximum length.

Entries may include:

- Short Stories
- Poetry
- Essays/Literary Criticism/Analysis
- Journalism
- Academic/Research Reports
- Personal Narratives
- Any Other Original Student Writing

SELECTION PROCEDURES

1. The writing contest begins with a school-wide competition. Grade-level winners should be sent to the system coordinator by the date determined by your designated District Coordinator.
2. A system-level contest must be held. ONE winning entry per grade from the system contest shall be submitted from a system-level administrator to the RESA ELA Specialist or designee. Multiple entries by grade will be disqualified. Individual entries sent by teachers, students, or schools will not be judged.
3. Winning entries from each school must be received by the System Contact no later than 4:00 p.m. on Thursday, February 15, 2018. Entries received after this deadline will not be accepted.
4. Judging will be conducted by an appointed committee of English Language Arts professionals convened by the RESA ELA Specialist for the purpose of selecting a RESA Winner at each grade level. The RESA ELA Specialist should log each district's winner for grade levels K-12, prepare a master list of entries and safeguard the names and identifying school of origin in order to protect the integrity of the judging process.

Frequently Asked Questions:

- Q. *The instructions reference the "original" work, but then they talk about making sure that there is certain header information on each page of the original and the copy.*
- A. Original work refers to work that the student created without the help of others. System coordinators are asked to verify that each system winner has the proper heading. This information may be handwritten and must be on each page of the entry.
- Q. *Do we submit all drafts or just the final copy?*
- A. Final copy
- Q. *My students collaborated on a writing project. May I submit multiple names for system consideration?*
- A. YGA is a writing contest for individuals. While we support collaboration in the classroom, only one student per grade level in each school system may advance to the RESA level.
