Summer 2017 Chromebook Checkout

Each student has the opportunity to check out the school issued Chromebook for the summer break. **This form must be returned by May 5, 2017 indicating permission or denial for summer Chromebook checkout.** Students must return this form. Failure to return the form will require the return of the Chromebook and power adapter.

_____ **YES**, I give permission for my student to checkout his/her Chromebook for the summer.

I understand that he/she is responsible for continuing to care for the Chromebook and power adapter and follow the guidelines as outlined in the Student/Parent Chromebook Handbook. (<http://bit.ly/2qcTwA3>) I also understand that he/she is expected to return with the Chromebook and power adapter for the start of the 2017-2018 school year. In the event your student moves from the Coweta County school district, I will be sure to return both the Chromebook and power adapter to the school.

_____ **NO**, I do not give permission for my student to checkout his/her Chromebook for the summer.

I understand he/she will not have access to the Chromebook over the summer break. I understand that he/she will be required to turn in the assigned Chromebook and power adapter no later than **May 19, 2017** for summer storage.
