Dear Parents,

Today at approximately 1:50 p.m. we initiated our security protocols due to an incident being investigated by local law enforcement in a nearby neighborhood. Law enforcement notified our central office that they were searching for an individual and requested activation of the school's security protocols as a precautionary measure. We returned to normal operating procedures at 2:15 p.m. Afternoon dismissal proceeded normally.

Your child's safety remains a top priority for our school. We will continue to use our safety procedures in order to maintain a safe learning environment. If you have any questions about this matter or our school safety plans, please feel free to contact me at 770-583-2873.

Sincerely,

Lisa Skinner
Principal,
Glanton Elementary School
