Glanton's teachers have been preparing your students since last August with daily, quality instruction and we know they will do great! If you have any questions, please contact Erin Hicks.

Also, we are very lucky that all students in grades K-5 are able to go on a field trip this year! We have received several grants and many donations from local businesses and organizations to help keep our costs low. As you are out in the community, please thank the following for their support of Glanton's field trips: the Glanton PTO; Fraziers - Marathon, Grantville; Diane Parker & Associates, Allstate; Bar-W Feed & Seed; Tucker's Merchandise; Big M Hardware, and Members of IAWMA Local 709.

The month of March, students will be finishing up on their baseball/softball skills unit. They will start a unit on improving heart, lung, and physical endurance. Remember, you always need your tennis shoes for PE. Field Day t-shirts will go on sale in the month of March. Plus, play outside every chance you get!

Thanks to everyone for selling candy bars on behalf of PTO! Please turn in funds as soon as possible.

Please remember that the permission form that you signed indicated that payment in full must be sent in for the case of candy bars. We cannot accept partial payments or boxes. All students who sold one case or more will be invited to a pizza party. A date will be set soon for the pizza party. Thank you for supporting PTO!

Recorder Karate for 4th and 5th graders will end with the 3rd Nine weeks. All testing must be completed by March 8th. All practice bugs should be turned in to Ms. Smith by Thurs, March 8th at the latest.

What a fun time for musicians! We love instruments at Glanton Elementary and we are playing them as much as possible from now to the end of the year, bar instruments, drum, ukuleles and small percussion. Folk dancing and singing games are also very popular.

You are invited to attend the Coweta County Elementary Honor Chorus at the Nixon Centre for Performing and Visual Arts in Newnan on Saturday, March 10th at 1pm. Glanton's performers include Lilly Tucker and Peyton Twilley from 3rd grade, Tucker Wacaser, Carson Brewer and TJ Fowler from 4th grade and Kyleigh Smith, Julianna Barclay, Sheyenne Turner, and Camilla Rosser from 5th grade. Congratulations to these students for their hard work and musicianship.

Media Center

We kick off the month of March in the media center with all sorts of Dr. Seuss-inspired fun! To honor the creativity of Dr. Seuss' books, grades 2-5 used our MakeyMakey kits to experiment with sound and

circuits. We also coded our resident MBots to navigate a maze that led the cat back to his hat. Pre-K, Kindergarten, and 1st grade helped Mrs. Landrum read *Mr. Brown Can Moo! Can You?* and used a variety of materials (marbles, pompoms, rice) to predict and test the types of sound (loud or soft) the items would make. Needless to say, the library wasn't so quiet! Our 5th graders have also been working very hard on designing their 3D historical figures/events projects in Tinkercad. We have started printing them on our 3D printer! Happy Reading!
