A Note from the Assistant Principal...

Do you have a student that will be entering K or 1st grade next school year? If so, we would like all parents to attend one of our transition meetings to meet with the teachers, learn about K and 1st grade expectations, get your questions answered and receive free materials for your students to work on over the summer. Refreshments will be provided and all parents in attendance will be entered into a raffle to win a free Kindle! If you have any questions, please contact Erin Hicks.

In May, PTO will be celebrating Teacher Appreciation for all of our wonderful teachers and staff here at Glanton! Please let us know if you would like to donate your time and talent to PTO next year.

Thank you to everyone who helped raise money for our Relay For Life team. All proceeds benefited the American Cancer Society! We appreciate all the hard work this year and look forward to next year!

There is still time to buy a yearbook! The cost is \$35.00. Please include the student's name and homeroom teacher when sending in your order.

Media Center

Summer is almost here! Reading over the summer is a great way to help your child grow as a reader and helps keep kids entertained and engaged! Our "Buy One, Get One Free" book fair will open Monday, May 7 through Friday, May 11 from 7:30 a.m. until 3:00 p.m. Please stop by the media center to stock up on books for summer reading. In addition to book fair, I am so excited to announce that EACH student in our school will get to visit the media center the last week of school to pick out a book of their very own to keep! I will also be including lots of summer reading resources with each student's book selection. All student library books are due by Monday, May 14th. Notices will be sent home for any books that have not been turned in by the deadline. Have a great summer and happy reading!
