 4th Grade Wednesday's 7:30am
 5th Grade Thursday's 7:30 am

Notes from the Counselor

HAPPY FALL Y'ALL! First and foremost, we want to extend our deepest respect and appreciation to all of our veterans. We are forever gracious for all of their sacrifice, commitment, and dedication to our country. It's that time of the year for great food, fun, and family gatherings! As you prepare to attend great events in the community to celebrate this great time of the year, let's please work together to continue making learning fun for our little gators too. Our first report card was distributed and sent home October 17th. If your child did not meet or exceed your expectations, please be mindful we are in a new nine week grading period and it gives us a fresh start. Staying positive and patient as we all work together to improve our little gators learning curves is the best way to see the results we all want to see for all the students. One important way to guarantee your child's success level is consistent communication with the teacher. If you can send a weekly email or communicate via Remind Me or any other formats of communication the teachers have provided for you, it will definitely help you to gain new ideas and resources tailored specifically for your child. So, please keep various communication options available between you and the teacher. We are collecting can foods until November 17th to support our local Newnan Junior Service League, please bring in those can goods! Also, please enjoy the week of Thanksgiving and allow some time for reflection with your children and moments of giving thanks for all the great things in our lives. As always, it truly takes a village to help our gators stay on the track to success.

A Note from the Principal...

As we approach a very busy time of year, I would like to take time to stop and reflect on those things for which I am grateful. I am very thankful for our school and all of the people who work with your students each day. I am thankful for the support from all of our parents.

We have three important dates to remember in November. STEM Family Engagement Night will be November 9th from 6-7pm. Our Veterans' Day program is on November 10th at 9:00. I hope that you will be able to attend because it is one of our most meaningful programs that we have during the year. Our Title 1 Reading Day will be on November 17th. Please look for some information to be coming home soon.

We welcome your help here at school. Please contact Erin Hicks if you are interested in becoming a volunteer at Glanton. I hope that you and your family have a peaceful Thanksgiving holiday.
 ~ Lisa Skinner, Principal

Affidavit of Residence is due **Friday, December 8th**. You must bring **two items listed on the back of the form** for address verification. Notary is available at the school. If you have any questions, please contact the school at 770 583-2873.

Glanton Gators . . . On the Track to Success

Friday, November 3rd is Jump Rope for Heart. All money raised and permission slip need to be turned in by Thursday, November 2nd. We will be working on Volleyball skills this month. Remember, you always need your tennis shoes for PE. Plus, take time to play outside and have some fun!

~Coach Darden

Attention All Parents!

**Glanton Elementary
Title I STEM Night
For Parents**

November 9, 2017 6:00-7:00 pm

Join us as your family works with other families to complete a STEM activity!

Nurse *Notes*

Please remember 3300's (hearing, vision, dental, nutrition form) are due for most new students by 11/4/17. Please give us a call if you have any questions regarding 3231/3300 status.

Media Center

Thanks to everyone who made our October Book Fair a great success! The media center is not slowing down at all in November! We will celebrate Reading Day on Friday, Nov. 17th. Reading Day is a special day each year for grades K-5 because we spend the whole day reading special books and participating in fun activities based on each book. This year's theme is "Reading is Out of this World!" and all of our books and activities will be space-themed. The Coweta STEM Institute will be our special guest, and they will be bringing a portable planetarium! We will also need parent volunteers to make Reading Day a success. More information will be sent home soon.

~Stephanie Landrum

Thanks to everyone who made our Fall Festival a great success! We were so happy to see so many students and their families enjoying all of the fun activities during the festival. Funds raised from the both our Fall fundraiser and Fall festival will be put towards new playground equipment for upper hall. We are looking forward to setting up our "Secret Santa" shop at the end of this month and into December. More information will be sent home soon with students regarding this event. Thanks for supporting PTO!
