Immunization and Hearing-Dental-Vision Certificates: These certificates can be obtained from the Coweta County Health Department (770-254-7400) or from a family physician. Students transferring from another Georgia school are required to have these forms at the time of registration to complete the registration process.

Pre-Kindergarten classes: Four-year-old Pre-K classes are limited in enrollment. Call your district school for space availability. Coweta County elementary schools hold on-site lottery drawings each spring for Pre-K class placement.
