Welcome to Maggie Brown Middle  
School Alternative Program!

The counseling program in our school is available to help students, parents, and teachers develop positive learning experiences. The program consists of a variety of services and activities, including individual and group counseling, parent and teacher consultation, classroom guidance, information services, and referral assistance to other programs and services in the community.

My primary services are to provide direct assistance to students in this program. For this reason, a major portion of my day is scheduled with services for the children. Therefore, parent and teacher consultations are usually held between the hours of 1:30-4:00 p.m.

Please use me as a resource if you have any questions that I may help you with. You may make appointments to visit with me at (770)304-5930 extension 203 or you may e-mail me at [angela.luckey@cowetaschools.org](mailto:angela.luckey@cowetaschools.org).
