“Committed to Excellence”

September 2015

Dear Northside Parents and Stakeholders,

As a local school, we appreciate the constant support that each of you gives throughout the year. One of the ways that you can support Northside is by becoming a Northside Partner. A “Partner” can be a business, a family, a grandparent, a group of families from a neighborhood, etc. Essentially, a “Partner” is *anyone* who wants to contribute to the success of our school.

Northside is a Title 1 School, and we receive extra funding to support student achievement. We use these funds to pay for the salaries of three additional support staff members, along with additional support materials and technology for the classrooms. Unfortunately, the amount of our Title 1 funds has been cut this year. We will still be able to fund our additional support staff, but we do not have the funds to pay for the additional support materials and technology for our classrooms. Our Partnership funds will allow us to continue offering the highest quality education for our students.

We would like to ask that you consider becoming a Partner with Northside School. The Northside School Council has set levels for Partnership participation. You will find these levels on the back of this letter.

If you would like to become a Partner with Northside, please complete the Partnership Form to indicate the level of support that you would like to dedicate to Northside for this school year. If you have a family member, friend, or neighbor who might be interested in becoming a Partner, please pass this information on to them. If you would like for us to contact them, please let us know.

Again, thank you for all that you do for the students of Northside! We greatly appreciate your help as we strive to be the best that we can be!

Sincerely,

Dr. Dana Ballou
Principal
