

Northside is very excited about our upcoming student-led conferences. Your child will be the star of the show as you hear about his or her goals and progress towards these goals. The conference will last 15 - 30 mins. **Please make it a priority to be here.** Our goal is for every child to have an adult to talk to on this day. We hope it can be a parent or grandparent. However, if there is no one who can come to the conference on this day, please let us know so that we can get another adult (principal, assistant principal, counselor, other teacher) from our building to stand in for you. We want every child to have the opportunity to talk about goals and progress and become leaders in their own learning.

Thank you for sharing your children with us. They are amazing!
They are excited about sharing their learning with you!
