

Students A.M. - Students will enter the North(main) driveway. Students may get in the right lane and turn right into the student parking lot OR students may get in the left lane and turn left into one of the two front lots.

Students P.M. - Students will exit out the North(main) driveway and turn left or right.

Parents A.M. - Parents will enter the North(main) driveway. Parents will drop off in the front of the main building only. If parents will be exiting southbound, they will turn right at the cut-through road , turn left at the south (bus) driveway, and exit to the south. If parents will be exiting northbound, they will turn left at the auxiliary drop off lane, then turn right at the north(main) driveway and exit to the north(left).

Parents P.M. - Parents will enter the North(main) driveway. Parents will pick up in the front of the main building only. If parents will be exiting southbound, they will turn right at the cut-through road , turn left at the south (bus) driveway, and exit to the south. If parents will be exiting northbound, they will turn left at the auxiliary drop off lane, then turn right at the north(main) driveway and exit to the north(left).

AUXILIARY LANE A.M. - Many of you may need to take a little extra time dropping off for reasons such as switching drivers, unloading book bags, etc. If you know that you're going to need a little extra time unloading, please pull through the main drop off area and parallel park in the spaces provided on the left side of the auxiliary lane. This area is provided as a courtesy to you AND to other parents who will be dropping off quickly. If you utilize the auxiliary lane to drop off, please exit out the north driveway(whether turning right or left) You may locate the Auxiliary Lane on the attached map.

AUXILIARY LANE P.M. - In the event that you arrive to pick up your student and the student is not readily available, please move your vehicle to the auxiliary lane to wait for them. This will alleviate blockages in the main pick up area and help for a more smooth process. You may locate the Auxiliary Lane on the attached map.

Attention 9th Grade parents: All drop off areas are located in front of the main building. Please do not attempt to turn into the student parking lot for any reason.

Tips to alleviate wait time and frustration in the mornings:

- 1) If possible, enter from the north. Many of our parents/students will go north on Shaw Road, turn left on Palmetto-Tyrone Road, and left on Fischer Road to enter from this side with minimum waiting.
- 2) If possible, exit southbound.
- 3) Even with the new upgrades, there will still be a lot of traffic! Be patient and courteous to other drivers and staff members.
- 4) Arrive early! If you arrive at 8:00, you will face less traffic pressure than if you arrive at 8:15.
- 5) Drop off in the front areas provided only. Do not attempt to drop off in prohibited areas (student parking lot, bus lot area, back of school)
