October 14, 2016

Dear parent or guardian,

Every year in this country we lose an average of 3,000 teens to fatal car crashes. Less than 25% of these fatalities are due to alcohol or drugs. Over the past several years our Newnan High School community has experienced tragedies involving our young drivers. On October 20, 2016, we will have guests making presentations to our 9th grade students and our students currently enrolled in Drivers Education at NHS. Our goal is to better educate our students in hopes of reducing teen traffic violations and deaths due to car crashes. We will use real stories of young drivers and passengers from our community, including the decisions that were involved in these situations and how they could have been prevented.

It is our hope that we can partner together with parent and students to prevent more tragedies in our community. If you have questions, please contact any administrator at Newnan High School. If you would prefer your child not participate in this educational activity, please sign below and have your student turn this form in to the Principal's Office on or before October 19 and we will honor your requests.

Sincerely,

Dr. Chase Puckett
Principal

Directions: Return this letter to the Principal's Office if you do NOT wish to allow your child to participate in the Teen Driving presentation.

Dear Principal,

I am writing to refuse to allow my child, _____, to participate in the Teen Driving presentation on October 20, 2016, at Newnan High School. Thank you in advance for respecting my parental rights and providing my child with an alternate educational activity during this presentation.

Sincerely,
