

Title I Compact Information

Parents, as informed and empowered decision makers, help make a difference in their children's education. In order for parents to make informed decisions about their children's education and academic success, they must be aware of the learning environment and be able to understand and evaluate current academic programs. As a Title I school, we (Smokey Road Middle School) have developed a school-parent compact (agreement). The Smokey Road Middle School Compact describes how teachers, students and parents will work together to improve communication, parental involvement, and student achievement.

When you receive a copy of the Smokey Road Middle School Compact, please discuss it with your child and sign the form. Completed forms should be returned to the homeroom teachers.

Thank you for helping us continue with our mission of Striving to Reach and Motivate Students.
