

We will be celebrating Welch's International Night on Thursday, February 15, 2018.

This popular event is a celebration of diversity that brings together the Welch community to learn about and share with each other the many cultures represented in our school. Families & faculty host tables to share information about their countries and cultures, have cultural performances, or host a cultural activity.

Students and families are able to “travel the world”, sample amazing food, watch performances, participate in cultural crafts and customs, and most importantly talk and learn about new places and make new friends along the way.

However, to make this event successful we need families that are willing to showcase the cultures of their home countries. If you would like to be a part of this wonderful event and or need more information, please reach out to Mrs. Lori Beuttenmuller (lori.beuttenmuller@cowetaschools.org) or Mrs. Donna Work (Donna.work@cowetaschools.org).

We are excited to see where this year's International Night will take us!
